ABOUT

Peter Agnello grew up in Kansas City, attended Rockhurst High School, and recently graduated from the University of Kansas with a bachelor's degree in Supply Chain Management. As a member of the Phi Delta Theta fraternity, Peter actively participated in several philanthropy events. He started as an intern at Peak, where he gathered valuable insights into the commercial brokerage world and assisted with research, such as developing tenant stacking lists.

Peter developed a passion for real estate development after witnessing the explosive growth of his hometown, Kansas City, with numerous construction projects. He aims to leverage his enthusiasm for real estate, strong work ethic, and management skills to establish a successful career in the commercial brokerage market as an associate at Peak
